- Hole # 15 - Fence line behind basket is ob
- Hole # 16 - Fence line to the right is ob
- Hole # 17 - Fence line to the right is ob
- Hole # 18

How To Play

- Disc Golf is played like traditional golf.
- Make your first throw from the tee area.
- Throw again from where your disc comes to rest, allowing players farthest from the basket to throw first.
- Keep throwing until your disc comes to rest in the basket. Count one stroke for each throw.
- If your disc lands on or across any out-of-bounds area, make your next throw from the last place your disc was in-bounds – and add a one-stroke penalty.

South Course

Hole # 1 - surrounded by water is ob, Tall fence behind and to the right of the basket is ob

Hole # 2 - Fence line on the right is ob
